Planning Commission

Attorney Harris address the question on whether or not the Marihuana Special Use should be a stand alone General Ordinance or an Special Use Article of Zoning Ordinance. In his opinion, it should be added as an additional special use article of the Zoning Ordinance. After a short discussion, the Board directed the Planning Commission to hold a public hearing, and incorporate it into the Zoning Ordinance.

Harris has reviewed the new proposed update of the Anti-Blight Ordinance; he thought that the revision doesn't address various issues in a proper manner. But he also emphasized that the present Ordinance is in dire need of being updated. The PC will continue to work on the Ordinance.

Mr. Harris has not finished looking over the update of the Festival Ordinance, but will have a report of his suggestions in time for the next PC meeting. Like the Anti-Blight Ordinance, the Festival Ordinance is very out of date, and needs to reflect current practice.

The Clerk presented the Board with the 2016-2017 Fowlerville Schools Community Service Officer Contract. The language of the contact are the same as last year's contract, and the cost for the Township's portion of the contract is still \$10,000 for the year; payable in 2 installments. Delmerico made a Motion to approve the proposed contract for the period of the 2016-2017 school year. Miller seconded the motion. Roll Call vote, AA, MC. The Clerk will take the signed contracts to the Village of Fowlerville tomorrow.

Bonnville reported that the new online payment method, by either credit or debit cards, is progressing satisfactorily. As of today, over 199 residents have taken advantage of this form of payment. She then made a Motion to issue a “not to exceed” \$40.00 credit for Charles Burroughs, 7677 Lange Rd., for next years Trash Year. Parker seconded the Motion. Roll Call vote, AA, MC.

Miller asked the Board members if they thought that property owners within 300 feet of the proposed township park should be asked for their input on whether or not they had issues concerning the park. The Board decided that the Clerk should send letters to the property owners asking for comment.

Delmerico made a report concerning acquiring a postal meter. He was directed to make further inquiries and report back to the Board. He then made a Motion to \$500.00 worth of 1st Class Stamps, primarily to use for absentee ballot related mailings in the upcoming months. Bonnville seconded the motion. Roll Call vote, AA, MC.

Miller presented the Board with his recommendation that Anne Allen, the Township Assessor, also be the new Zoning Administrator. Accordingly, Delmerico made a Motion to appoint Anne Allen the Iosco Township Zoning Administrator and Zoning Compliance Enforcement Officer, with the wage to be set at \$800.00 per month, \$25.00 per meeting attended, and her mileage set at the current Township rate of .55 cents per mile. Bonnville seconded the Motion. Roll Call vote, AA, MC.

The new Zoning Administrator presented her report: She has issued 3 Waivers of the Zoning Compliance Permit for 2 pole barns, and for 1 deck.

The Clerk raised the issue of who would be replacing Ms. Davison as the Planning Commission Secretary. After discussion, Delmerico made a motion to have Kailey Jenks appointed as the Secretary of the Planning Commission, at a rate of \$25.00 per meeting; effective immediately. Parker seconded the Motion. Roll Call vote, AA, MC.

There was no response to the 2nd Call to the Public.
